THE POTENTATE GOD!**

THE FAST

7 days of fast, blowing of Shofars, calling for change and the overturning of all spiritual and physical darkness threatening all our nations and economies starting from the evening of 3rd to 10th October.

Shofar night services starts 11pm to 1am throughout the 7 days midnight Shofar services. Prophetic calling forth, Prophetic intercessions, speaking to the earth and the constellations over our nations for change.

No form of sharing must exceed quarter to 12midnight. The rest of the night must be praise, blowing of Shofars especially at 12 midnight each day and calling for change in the constellations over our nations and the earth.

Anoint the earth each night calling forth for overhauling change, and secondly for the breaking of the spells of the BAAL spirits by the names they are called in your nation and by their biblical names - Hosea 2:17.

Call forth God's Holy Ghost fire and great outpour on our 20th International Conference in October. Pray for speakers and attendees by name!

It shall be a Jewish fast that starts from Sundown.

Bring forth repentance throughout the fast for the church, the nation and yourself.

Remember, all forms of disobedience is sin!

On Wednesday, 9th October, the night should be for Praise and Blowing of Shofar over the nations in all Towers.

On last day keep shouting, Let God Arise! Arise over your nation and in all the high places and break - break - break all yokes of darkness!
